The Community Tuesday Program is an excellent opportunity for ESPRESSIVO to raise funds effortlessly while members and supporters socialize, network, and enjoy a delightful evening at an award-winning restaurant. Shadowbrook will donate one-third of the evening's sales to our organization! In order to avoid confusion when making reservations, let the receptionist know who you are dining for. You may wish to enjoy appetizers and cocktails in our Rock Room Lounge, just let your server know your group affiliation; you may participate also. (Any Happy Hour prices will not be applied.)
